

INTERNSHIP CERTIFICATE

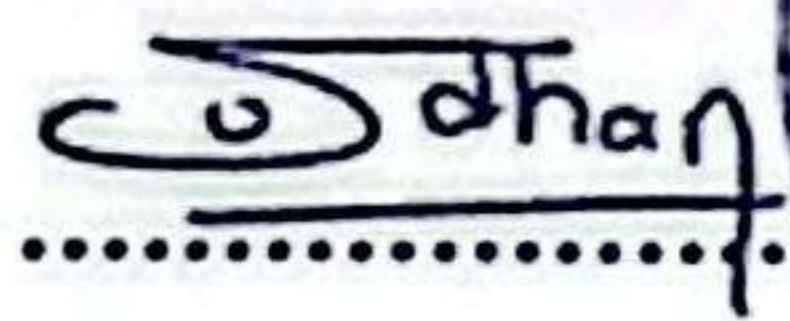

This is to certify that **Ms. Prabisha Bajracharya** has successfully completed an QA internship at Clococo Nepal Inc. Pvt. Ltd. from 20th January to 18th April, 2025 (3 months).

During the internship period, she worked under the supervision of Mr. Aashu Shrestha and Ms. Elina Thapa, QA Team. The primary responsibilities and projects undertaken by her included:

1. Understanding the Software Development Life Cycle (SDLC)
2. Understanding the Software Testing Life Cycle (STLC)
3. Writing and executing effective test cases
4. Executing tests and analyzing results
5. Actively participating in daily stand-ups and team collaboration
6. Performing regression testing to ensure stability of existing features after changes
7. Conducting functional testing to validate system behavior
8. Exploring end-to-end testing using Playwright with JavaScript
9. Conducting API testing and validating responses
10. Adhering to QA best practices and maintaining clear, organized documentation.

We appreciate **Ms. Prabisha Bajracharya's** efforts and contributions during the internship period and wish all the best for her future endeavors.

Sincerely,

Sudhan DC
